SOLICITOR'S REPORT

1. **FOXFIELD:** Dedication work has been completed for Phase VI; Dedication documents are being prepared
2. **CREEKSIDE RUN:** The developer is moving forward with dedication of sanitary sewer improvements and rights of way;

The purchase has been approved by the authority. Costars pricing has been received. A motion will be in order to accept the proposal and enter into a contract with the contractor.
2. **BELMONT III:** The developer has commenced construction. HRG is performing construction inspection, and work completed to date is acceptable and in accordance with the plans.

3. PYLE ROAD PUMP STATION UPGRADE: Design work is continuing on the project. The engineer was also able to establish contact with the Trotters Lea HOA through social media and now have a good point of contact. The HOA has indicated that it is willing to grant the authority the easements necessary to proceed with the project. The engineer will be requesting authorization from the board to begin easement negotiations.
4. MIPC CHELSEA TANK FARM REMEDIATION DISCHARGE: The Authority received an application from MIPC, LLC to connect a temporary groundwater remediation treatment system to the BTSA sanitary sewer with a proposed average discharge of 36,000 GPD. The authority should discuss whether this temporary remediation discharge will require payment of the standard tapping fee or if a special connection and industrial discharge agreement should be considered.

Township Manager's Report – July 2027

The Township extends its sincere thanks to everyone who helped make our recent E-Recycle Event and Fourth of July Fireworks Celebration a success.

A special thank you to our Highway Department, Police Department, Fire and EMS personnel, Board of Supervisors, Township Office staff, Parks and Recreation volunteers, event sponsors, and the many community volunteers who gave their time and energy to make these events safe, enjoyable, and memorable for our residents. **Your dedication and teamwork are greatly appreciated.**

As we begin preparing for the 2028 budget, the Township Office is also reviewing our third-party vendor contracts to identify cost-saving opportunities, improve efficiency, and ensure we continue to receive the best value for taxpayer dollars.

Re: 2026 Road Program

Dear Chuck,

The Bethel Township 2026 Road Program went out to bid in May. We utilized the PennBid System and also sent the bidding documents directly to a few local paving contractors. The Bid Opening was June 8th, and I had previously sent the Board of Supervisors the bid results. AF Damon Company and Moore Brothers were the only two bidders. Moore Brothers was the low bidder at \$178,784.00. We prefer to have at least three bidders, but I am not concerned about only having two bidders in this instance because Moore Brothers bid was very competitive. I had estimated the project at \$200,000.00.

Since I have not worked directly with Moore Brothers, I requested references for similar work. The references included work for Media Borough, Lansdowne Borough, Delaware County, and Chester Township. I know the Municipal Engineers for those municipalities, and I spoke with them concerning the quality of work, timeliness, responsiveness, etc. The Municipal Engineers were pleased with Moore Brothers Work. The paving crew is actually the crew that was with Innovative Construction Services (InnConn) last year. InnConn performed several paving jobs for the Township over the years. InnConn closed shop at the end of last year and the paving crew was hired by Moore Brothers.

I recommend that the Board of Supervisors award the 2026 Road Program to Moore Brothers for the bid price of \$178,784.00. Please do not hesitate to call if you have any questions.

Sincerely

Matthew R. Houtmann, P.E.

BOS,

Attached are the bid results for the 2026 Road Program. The roads included in the Bid were Mayfield Lane, Hawkhurst Close, Laughead Lane from Bethel Road to Grand Oak Lane, and Springmeadow Lane from Goodlet Road to Dorothy Drive.

This project was bid on PennBid. There were seven (7) bid document takers, but only two Contractors Bid

The low bidder was Moore Brothers at \$178,784.00. The unit prices are very competitive, so I don't have any issues with only two bidders.

No action can be taken by the Board this evening, but we do have to talk about how we handle the possible replacement of curb depressions.

Claims Reporting By Policy

Immediately report all claims. Each insurer requires notice of certain types of claims depending on the potential exposure or particular injury types. It is important to thoroughly review your policy to ensure you are reporting particular incidents and claims, based upon the insurer's policy requirements.

If you are using a third party administrator ("TPA"), your TPA may or may not report claims to an insurer on your behalf. Although we will assist you where requested, it is important that you understand whether your TPA will be completing this notification.

Proposal Disclosures

The following disclosures are hereby made a part of this proposal. Please review these disclosures prior to signing the Client Authorization to Bind or e-mail confirmation.

Proposal Disclaimer

IMPORTANT: The proposal and/or any executive summaries outline certain terms and conditions of the insurance proposed by the insurers, based on the information provided by your company. The insurance policies themselves must be read to fully understand the terms, coverages, Exclusions including but not limited to:, limitations and/or conditions of the actual policy contract of insurance. Policy forms will be made available upon request. We make no warranties with respect to policy limits or coverage considerations of the carrier.

Compensation Disclosure

1. Gallagher Companies are primarily compensated from the usual and customary commissions, fees or, where permitted, a combination of both, for brokerage and servicing of insurance policies, annuity contracts, guarantee contracts and surety bonds (collectively "insurance coverages") handled for a client's account, which may vary based on market conditions and the insurance product placed for the client.

2. In placing, renewing, consulting on or servicing your insurance coverages, Gallagher companies may participate in contingent and supplemental commission arrangements with intermediaries and insurance companies that provide for additional compensation if certain underwriting, profitability, volume or retention goals are achieved. Such goals are typically based on the total amount of certain insurance coverages placed by Gallagher with the insurance company, not on an individual policy basis. As a result, Gallagher may be considered to have an incentive to place your insurance coverages with a particular insurance company. If you do not wish to have your commercial insurance placement included in consideration for additional compensation, contact your producer or service team for an Opt-out form.

3. Gallagher Companies may receive investment income on fiduciary funds temporarily held by them, or from obtaining or generating premium finance quotes, unless prohibited by law.

4. Gallagher Companies may also access or have an ownership interest in other facilities, including wholesalers, reinsurance intermediaries, captive managers, underwriting managers and others that act as intermediaries for both Gallagher and other brokers in the insurance marketplace some of which may earn and retain customary brokerage commission and fees for their work.

If you have specific questions about any compensation received by Gallagher and its affiliates in relation to your insurance placements, please contact your Gallagher representative for more details.

TRIA/TRIPRA Disclaimer

If this proposal contains options to purchase TRIA/TRIPRA coverage, the proposed TRIA/TRIPRA program may not cover all terrorism losses. While the amendments to TRIA eliminated the distinction between foreign and domestic acts of terrorism, a number of lines of coverage excluded under the amendments passed in 2005 remain excluded including commercial automobile, burglary and theft insurance; surety insurance, farm owners multiple perils and professional liability (although directors and officers liability is specifically included). If such excluded coverages are required, we recommend that you consider purchasing a separate terrorism policy. Please note that a separate terrorism policy for these excluded coverages may be necessary to satisfy loan covenants or other contractual obligations. TRIPRA includes a \$100 billion cap on insurers' aggregate liability.

TRIPRA is set to expire on December 31, 2027. There is no certainty of extension, thus the coverage provided by your insurers may or may not extend beyond December 31, 2027. In the event you have loan covenants or other contractual obligations requiring that TRIA/TRIPRA be maintained throughout the duration of your policy period, we recommend that a separate "Stand Alone" terrorism policy be purchased to satisfy those obligations.

Property Estimator Disclaimer

These property values were obtained using a desktop Property Estimator software operated by non-appraisal professionals. These property values represent general estimates which are not to be considered a certified appraisal. These property values include generalities and assumptions that may produce inaccurate values for specific structures.

Terms and Conditions

It is important that we clearly outline the nature of our mutual relationship. The following terms and conditions (these "Terms") govern your relationship with Gallagher unless you have separately entered into a written services agreement with Gallagher relative to the policies and services outlined in this Proposal, in which case that services agreement will govern and control with respect to any conflicts with these Terms. These Terms will become effective upon your execution of the Client Authorization to Bind Coverage (the "CAB") included in this Proposal and shall survive for the duration of your relationship with Gallagher relative to the policies placed pursuant to the CAB or otherwise at your request.

Services

Gallagher will represent and assist you in all discussions and transactions with insurance companies relating to the lines of insurance coverage set forth in the CAB and any other lines of insurance coverage with which you request Gallagher's assistance. Gallagher will consult with you regarding any matters involving these or other coverages for which you have engaged Gallagher. You have the sole discretion for approving any insurance policies placed, as well as all other material decisions involving your risk management, risk transfer and/or loss prevention needs.

Although you are responsible for notifying applicable insurance companies directly in connection with any claims, demands, suits, notices of potential claims or any other matters as required by the terms and conditions of your policies, Gallagher will assist you in determining applicable claim reporting requirements.

Gallagher is not required to provide Services to you if Gallagher reasonably considers that to do so would put Gallagher in breach of, or would expose Gallagher or its affiliates to fines, penalties or sanctions under any laws, regulations, professional rules or, in Gallagher's sole opinion, you have breached a term/the terms of the Policies. In such circumstances, Gallagher will be entitled to terminate its Services with immediate effect. In the event that Gallagher exercises its right to terminate its Services with immediate effect, Gallagher will not be responsible or liable to you for any direct or indirect loss which you or any other party may suffer as a result.

Please be aware that Gallagher is generally restricted from providing broking, claims handling or other services that relate to Cuba and Iran, including due to significant difficulties in processing payments and other commercial and reputational considerations.

Treatment of Information

Gallagher understands the need to protect the confidentiality and security of your confidential and sensitive information and strives to comply with applicable data privacy and security laws. Your confidential and sensitive information will be protected by Gallagher and only used to perform services for you; provided that Gallagher may disclose and transfer your information (including transfers outside the United States in compliance with applicable laws) to our affiliates, agents or vendors that have a need to know such information in connection with the provision of such services (including insurance markets, as necessary, for marketing, quoting, placing and/or servicing insurance coverages). We may also disclose such information as required by applicable data protection laws or the order of any court or tribunal, subject to our providing you with prior notice as permitted by law. The parties agree that confidential information does not include aggregate, anonymized or de-identified data. In addition, we may also utilize your aggregated, anonymized, or de-identified information in connection with benchmarking, risk modeling and other data analytics, service or product improvements, and offerings, and similar business purposes. You further agree we may use your information with artificial intelligence or other automated applications for the purposes of improving or delivering our services to you.

We will (i) implement appropriate administrative, physical and technical safeguards to protect personal information; (ii) timely report security incidents involving personal information to affected parties and/or regulatory bodies; (iii) create and maintain required policies and procedures; and (iv) comply with data subjects' rights, as applicable. To the extent applicable under associated data protection laws, you are a "business" or "controller" and Gallagher is a "service provider" or "data processor." You will ensure that any information provided to Gallagher has been provided with any required notices and that you have obtained all required consents, if any and where required, or are otherwise authorized to transfer all information to Gallagher and enable Gallagher to process the information for the purposes described in this Proposal and as set forth in Gallagher's Privacy Policy located at <https://www.ajg.com/privacy-policy/>. Gallagher may update its Privacy Policy from time to time and any updates will be posted to such site.

Dispute Resolution

Gallagher does not expect that it will ever have a formal dispute with any of its clients. However, in the event that one should arise, we should each strive to achieve a fair, expedient and efficient resolution and we'd like to clearly outline the resolution process.

- A. If the parties have a dispute regarding Gallagher's services or the relationship governed by this Proposal ("**Dispute**"), each party agrees to resolve that Dispute by mediation. If mediation fails to resolve the Dispute, you and Gallagher agree to binding arbitration. Each party waives all rights to commence litigation in court to resolve a Dispute, and specifically waives all rights to pursue relief by class action or mass action in court or through arbitration. However, the parties do not waive the ability to seek a court order of injunction in aid of the mediation and arbitration required by these Terms.
- B. The party asserting a Dispute must provide a written notice ("**Notice**") of the claim to the other party and to the American Arbitration Association ("**AAA**") in accordance with its Commercial Arbitration Rules and Mediation Procedures. All Dispute resolutions will take place in Chicago, IL, unless you and Gallagher agree to another location. The parties will equally divide all costs of the mediation and arbitration proceedings and will each pay their own attorneys' fees. All matters will be before a neutral, impartial and disinterested mediator or arbitrator(s) that have at least 20 years' experience in commercial and insurance coverage disputes.
- C. Mediation will occur within sixty (60) days of filing the Notice with the AAA. Mediation results will be reduced to a memorandum of understanding signed by you, Gallagher and the mediator. A Dispute that is not resolved in mediation will commence to binding arbitration. For Disputes in excess of \$500,000, either party may elect to have the Dispute heard by a panel of three (3) arbitrators. The award of the arbitrator(s) must be accompanied by a reasoned opinion prepared and signed by the arbitrator(s). Except as may be required by law, neither you, Gallagher, nor a mediator or arbitrator may disclose the existence, content or results of any Dispute or its dispute resolution proceeding without the prior written consent of both you and Gallagher.

Electronic Delivery

In lieu of receiving documents in paper format, you agree, to the fullest extent permitted by law, to accept electronic delivery of any documents that Gallagher may be required to deliver to you (including, but not limited to, insurance policies and endorsements, account statements and all other agreements, forms and communications) in connection with services provided by Gallagher. Electronic delivery of a document to you may be made via electronic mail or by other electronic means, including posting documents to a secure website.

Miscellaneous Terms

Gallagher is engaged to perform services as an independent contractor and not as your employee or agent, and Gallagher will not be operating in a fiduciary capacity.

Where applicable, insurance coverage placements and other services may require the payment of federal excise taxes, surplus lines taxes, stamping or other fees to the Internal Revenue Service, various State(s) departments of revenue, state regulators, boards or associations. In such cases, you will be responsible for the payment of the taxes and/or fees, which Gallagher will separately identify on related invoices.

The Proposal and these Terms are governed by the laws of the State of Illinois, without regard to its conflict of law rules.

If an arbitrator/court of competent jurisdiction determines that any provision of these Terms is void or unenforceable, that provision will be severed, and the arbitrator/court will replace it with a valid and enforceable provision that most closely approximates the original intent, and the remainder of these Terms will remain in effect.

Except to the extent in conflict with a services agreement that you may enter into with Gallagher, these Terms and the remainder of the Proposal constitute the entire agreement between you and Gallagher with respect to the subject matter of the Proposal, and supersede all prior negotiations, agreements and understandings as to such matters.

Giovanna Iacono, Township Supervisor
Bethel Township
1092 Bethel Road,
Garnet Valley, PA 19060

Dear Giovanna Iacono:

On behalf of PECO and Natural Lands, congratulations on receiving a \$10,000 PECO Green Region Open Space Program grant for Bethel Township's project, Shaffer Preserve - Delaware County. The PECO Green Region Program continues to be extremely competitive, and this year was no exception as once again we received nearly 50 project applications. We congratulate you on a well-crafted and compelling submission.

By cashing the award check, you agree to comply with the enclosed 2025 Round Grant Award Terms and Conditions. Please note eligible and ineligible expenses, requirements regarding acknowledgement of PECO's contribution to the project, and necessary inclusions with the Final Report to close out the grant. The project must be completed within 18 months from the date the funds were disbursed, and the Final Report and associated documentation submitted to my attention, as the Program Administrator, within the following two months. For Bethel Township, this means **this grant is due to be closed out by December 2, 2027.**

All project expenses are to be incurred after fund disbursement. If you have already incurred project expenses before receiving the grant funds, please reach out to me in writing to explain the circumstances.

Please reference the emailed copy of PECO's Promotional Guidelines as you prepare communications about the news of your grant award. Also emailed include the press release prepared by PECO announcing the 2025 Round award recipients. Should you develop your own press release regarding the grant award, please provide me with a draft for review and approval by PECO. Please also be sure to retain copies or screenshots of any publicity brought to your project as such communications (including social media posts) are required when closing out the grant (please reference the emailed Final Report Template for more information on what information to gather and retain throughout the life of the project).

Congratulations again on receiving funding from this competitive grant program. Best wishes for success. We look forward to learning more as your project develops!

Sincerely,

A handwritten signature in blue ink, appearing to read "Kyle Rose".
